HOPE CHURCH

About the Family

My wife, Annie, and I have been married for four years. We have two daughters, Reagan and Kennedy. My wife and I were both raised in Christian homes and received Christ at early ages. We have lived in Jacksonville for six years, and we love Florida! We are excited about what God can and will do through us as we plant Hope Church!

About My Church Plant

I have served as the administrative pastor of River City Baptist Church in Jacksonville, Fla., under the leadership of Bryan Samms for six years. I have learned so much about ministry during my time here. Over the past year, God has slowly redirected my heart to “desire the office of a bishop” as Paul says in 1 Timothy.

We have an opportunity to replant a church in the Naval Station Mayport community of Jacksonville. I am so excited to see what God will do this coming year as we reach out to sailors, nearby public schools and needy people in the densely populated subdivisions close by.

Our journey is only beginning, and we need YOU to partner with us in getting the gospel to the people of Mayport. I hope you’ll consider us, and may God bless you.
