## About the Family

I am a Kansas City native who, for the first 40 years of my life, was an atheist. At the point where Jesus brought me to my knees and showed me I was a sinner, I turned my life over to Him. Since then, the Lord has done an incredible work in my life and in the life of my family.

We have discerned and affirmed this call to ministry. By preaching God's Word, serving the lost, and bringing them to the knowledge of sin, repentance, and ultimately salvation through faith in Christ alone, we are stepping out to fulfill the mission God has placed on our hearts.

## About My Church Plant

I believe that all people are created on purpose and for a great purpose. That purpose is to be in right relationship with God. For one to have a right relationship with Him, he must first know Him.

This vision has led us to New Hampshire. I dream of church being a place where families can come to know the truth of who God is and what He has done for them. We believe the church is not just a building for those who believe; it is a vessel to reach those who do not.

Because building relationships is vital to fulfilling the Great Commission, we dream of being a church that is more than just a building in a community. We believe we will see the day when all people in our community will know and call on the name of Jesus, and we can build up the next generation of missionaries to take the gospel to the people of New Hampshire.
