STORY CHURCH

About the Family

My wife, Renee, grew up central Arkansas. She has a degree in social work and enjoys being a mom as well as playing a huge role in the life and ministry of our church plant.

Our oldest son, Jeremiah, is 20 years old. Jeremiah is musically gifted and leads our worship team each week.

Micah is 18. He has been blessed with having both music and video/photo abilities. He currently is the band director of our worship team as well as shooting video and pics for Story Church.

Lily is age 15 and pretty much does everything! She teaches kids, serves on our Sunday experience team, sings and takes pictures. She is also in charge of the social media at Story Church.

About My Ministry

Church planting is part of our family's Story. We spent 13 years planting a church from our family members to a church of more than 400 people. In October of 2019, God called us back home where we were given an opportunity to do it all again.

Sounds kinda crazy, but it's our calling. Story Church is new church we launched in April of 2021. Our family moved to Bentonville, Ark., in July of 2019 not knowing in seven months the world would slow. Our original launch date was September of 2020. God had other plans. So we sat, rested and planned for our new public launch date. On April 4, 2021 we launched our church. One of the most beautiful things we see happening now is our kids are grown and are helping us plant church #2.
