About the Family

My wife, Danielle, and I have been married for 18 years, and we have three children: Noah (14), Mathai (13), and Judge (9). We moved to South Florida in January 2018 and now call Miami Gardens home.

We're an active, sports-loving family! Noah plays volleyball, Mathai is involved in competitive cheer, and Judge plays baseball, so you'll often find us at a game, tournament, or practice. When we're not cheering on our kids, we enjoy watching movies and TV shows together and traveling whenever we get the chance. We also have three dogs who add to the excitement of our household!

South Florida has become much more than where we live. It's where we've built relationships, served, and put down roots. We're excited to continue investing in the community we love as we follow God's calling to plant C27 Church.

About My Church Plant

I've spent more than two decades serving in ministry, communications, teaching, and leadership. For more than a decade, I served alongside Dr. Tony Evans at The Urban Alternative, developing media resources and theological curriculum to advance the gospel worldwide.

Ordained in November 2020, I served as assistant pastor at The Rock Fellowship Church and currently serve as executive director of 4KIDS Miami, leading efforts to bring hope, homes, and healing to children and families in crisis.

I hold a B.S. in Marketing and Management from Trinity University and an M.A. in Media and Communication from Dallas Theological Seminary. I'm also a published author passionate about biblical teaching, discipleship, and equipping others to grow in their faith.
