Pray for our family as we work together in ministry.

Pray the Lord would continue to open doors and allow us to establish the right kinds of connections to build community and His church.

Pray for stamina and longevity for ministry amidst attacks from the enemy.

Prayer for financial partners who are willing to commit to the mission and vision of Restored on a monthly or yearly basis.

Gift cards to restaurants are always a blessing, especially during our birthdays.
We would appreciate re-occurring financial support commitments to assist us in serving our church planting context. Specifically, our educators fund goes to supporting teachers in the local elementary school with whom we partner.

About the Family

My lovely wife (Desiraye) and I have been married for 11 wonderful years! We have two phenomenal kids, Jared Jr. and LilyGrace. We are a family who likes to have fun by dancing, traveling, having family worship and devotion time and enjoying some competitive UNO games!

My wife and I have had the privilege of authoring a couples devotional (I Choose You Again), which is centered on helping couples recenter and refocus their hearts and minds on what made them say, “I choose you.”

Secularly, I have been blessed to work in the field education for 15 years. Some previous positions include, program specialist, academic advisor, 10-12 career specialist and K-8 music teacher.

I believe God has given me a plethora of tools that will be useful in growing the hearts and minds of God’s people. My family and I look forward to the journey ahead!

About My Church Plant

Restored Church was birthed out of my wife’s and I desire to go after those who are not only far off and lost but those who have had triggering trauma within God’s church and have either left the church or consider themselves “deconstructing.” Our desire is to put “Jesus on display” by creating a safe space where people can find Him, build community and become transformed through the power of God’s Word. We seek to do this through our core values, which are gospel-centered, intentionally connected, community minded and generous stewards.

We are planting in Middletown, Ohio, which is between Dayton and Cincinnati, hopefully, in the specific area of Mayfield.

As we continue to embrace, learn and build connections in our area, we are excited about what God has in store as we go after the one!
