CITY ON A HILL CHURCH

## About the Family

Aaron and Emily are college sweethearts. Meeting in 2011 while leading at their church's summer camp, they knew it was God's plan for them to be together (although it took Emily a little convincing). They married in 2013 and are providing foster care and pursuing adoption in the Metro Boston area. They hail from the great state of North Carolina where Emily became a Christian at age 6 and Aaron at age 20. They both attended the University of North Carolina at Charlotte where Aaron holds a B.A. in middle grade education. He then obtained an MDiv. from Southeastern Baptist Theological Seminary.

## About My Church Plant

City on a Hill Church Brighton will serve Boston's northwestern neighborhood of Brighton. Brighton is a dense community of 45,000 residents teeming with college students and young professionals. It is positioned just a few miles from Boston College, Boston University, Harvard and MIT, which makes Brighton a strategic center for reaching college students. Its unique mix of young families, native Bostonians and foreign-born population makes Brighton a vibrant neighborhood and key outpost for gospel impact in the city as a whole.

### PRAY.

Pray for boldness, endurance and favor as we share the gospel in our community. Pray that as we share the gospel, God will soften hearts and lead people to trust in Jesus. Pray for continued gathering and development of our core team. Pray for God's provision in resources, facilities and financial partners. Pray that as we foster and adopt little ones, God's grace will be empowering in us and evident through us.

### PARTICIPATE

City on a Hill Church is seeking strategic partners as we build our core team and prepare to launch in fall of 2019. We need people who will commit to regular prayer and provision. We need partners to join us in both short-term and long-term capacities.

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
