About the Family

Originally from Fayetteville, Ark., we now live in the middle of eastern Oklahoma, also known as “Green Country,” in the town of Muskogee.

My wife, Linda, is a registered nurse. We have two teenagers, Katy and Keet. Since moving here, we have been blessed with many new connections in the area and know that the Lord is caring for and providing for us in this ministry setting.

About My Ministry

I am truly blessed and proud to serve as a VA Staff Chaplain in the eastern Oklahoma VA healthcare system, with a special emphasis in mental health.

As a military combat veteran and former law enforcement officer who came to Christ in my 30s, I have been called to serve veterans, their families and the staff who care for them. It is an honor and privilege to walk alongside those with whom I relate and connect during this time of need in their lives.
