PROVIDENCE ROAD

About the Family

I grew up in a small town in southeast Oklahoma and graduated from The University of Oklahoma with two bachelor degrees, one in Communication Sciences and Disorders and another in Interpersonal Communication Science. I grew up playing competitive softball with my younger sister and three cousins. We are all very close and located around the Lake Texoma area, so visiting home is always a fun time!

College really prepared me for what God has now called me to. In college, I joined a sorority and was heavily involved in Greek life and other student organizations. In my sophomore year, I was introduced to Baptist Collegiate Ministries (BCM), which is when my walk with God really took off. I learned the eternal value of discipleship, sharing the gospel and being part of community, which kick-started my call into ministry.

About My Ministry

I am in year two of being a campus minister at the University of Oklahoma Baptist Collegiate Ministries, where our mission is to help students know, love and glorify God. I focus on Greek Life Outreach. I am passionate about reaching the sorority houses on campus to engage in discipleship and trainings for sharing the gospel.
