PURSUIT CHURCH PGH

About the Family

We are the Dixon family. My wife, Kayla, and I have four daughters: Gracyn, Aleigha James, Tatum, and Mallie. Kayla and I started dating when we were juniors in high school in our hometown and have been married for eight years. We love to spend time together as a family and love to watch movies and share meals together!

About My Church Plant

We moved to Pittsburgh from Tennessee in 2021 to plant a church in Shaler township. Currently, we are in the process of developing and expanding our core team and engaging/serving our community. We launched publicly in spring 2024.

PRAY.

Pray God would expand our team by 12 people by the end of 2023. Pray specifically that God would bring age/wisdom to our team as our current team is made up of mostly young couples and singles. Pray that we would become valuable to our community. We want to be the type of church that if we were to be removed, our community would hurt.

PARTICIPATE

We are looking core team members and financial partners. I work full-time in construction right now and I am looking to move to part time at the end of this year. At that point, we will be looking to receive a part-time salary from the church. We are looking to build our financial basis now to be prepared for this transition.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
