SOWER CHURCH

About the Family

I grew up in Omaha, Nebraska. Before college, I had been to church only once and had never heard the gospel.

While in school at the University of Nebraska-Lincoln (UNL), I got saved and met Chloe, who is now my wife. Chloe is an Arkansas girl who also came to UNL for college. We met in class, graduated together in May of 2020 and got married two months later!

About My Ministry

I work with Sower Church as the co-director of Christian Challenge at UNL. Christian Challenge UNL is the college ministry of Sower Church in Lincoln.

Chloe also works at Sower as the church's administrator and creative director. Although our work is different, we love serving in ministry together.

Christian Challenge has three core values: Commit. Prepare. Advance.

- Leading students to COMMIT to Christ, His Church and community.
- Teaching them to PREPARE themselves daily, having their hearts and lives shaped by the Word of God.
- Sending them out as disciples to ADVANCE God's kingdom at UNL and to the ends of the earth.

Pray that Chloe and I would grow in our love for God and for one another.
Pray that many students at UNL will repent and believe in Jesus, by God's grace.
Pray Jesus will raise up more laborers for the advancement of His kingdom.
