FORT MITCHELL BAPTIST CHURCH

About the Family

Hello! My name is Alex Wade, and I am currently a junior at Northern Kentucky University (NKU). However, more importantly than anything else, who I am is in Christ. Whether it's having late conversations with guys or being behind an audio board, my life mission is to make Christ known wherever I am. I will do anything and everything to get to know people, and I love making new connections to further push the kingdom.

About My Ministry

I will be a Collegiate Ministry Intern (CMI) at the NKU BCM (Baptist Campus Ministry)! I have the honor and privilege of leading our men's ministry. That includes planning and executing events, discipling younger men, and being available for our guys. I also get to spread the gospel weekly on campus, be intentional with our international students, and, overall, make Christ known. I will also be able to help our leadership team grow in their relationship with Christ!
