About the Family

I was born and raised in Berkeley, California, and came to Santa Cruz to attend University of California, Santa Cruz (UC Santa Cruz) for college. While in college, God used the college ministry, Christian Challenge, to fundamentally change my heart. Through Bible studies, mentorship and investment from others, I grew in my faith and gained a passion for making disciples. I got involved in student leadership through Christian Challenge, and after graduating, I joined the staff team to continue investing in the lives of students.

About My Ministry

Christian Challenge at UC Santa Cruz is a college ministry committed to helping students come to know Jesus, grow in their faith and to live out the Great Commission. Our focus is on evangelism, discipleship and equipping leaders to follow Jesus in and beyond their time in college. The Challenge staff team strives to engage students with the message of Christ, help believers grow in their faith and to train them to disciple others.
