WALNUT CREEK PERSIAN CHURCH

About the Family

I am an Iranian pastor and church planter. I was born in Iran and moved to the U.S. in 2011.

I am songwriter with four worship albums in Farsi. My wife and I are serving our Farsi community by sharing the gospel and demonstrating the love of Christ.

We have three daughters and love to read books and travel together.

About My Church Plant

We have planted many churches during the past 20 years in Iran, Dubai, Iraq and the U.S. Right now, I am the lead church planter and pastor at Walnut Creek Persian Church. Our mission is to share the gospel among Farsi speakers in California and around the world. Our church is a serving center for all Farsi speakers to come and be saved by Christ and be blessed through His work.
