REDEEMER BAPTIST CHURCH

About the Family

I am married with two children. I love spending time with my family, and I love the beach. I love curling up by a fire with some tea and a book, sometimes a coloring book.

I am serving through Redeemer Baptist Church (RBC) in Riverside, Calif. I have had a passion for the nations since I was young, and God has continued to grow that in my soul. I am now blessed to be doing my dream job of caring for those who are taking the truth to the nations and training others who will be going.

About My Ministry

The expression we use to explain our relationship to global workers is “holding the rope.” This expression means we will pray for you, we will remember you, we will fight on our knees for you, we will send you things, we will help you as we are able, and we will visit you. Redeemer is committed to “holding the rope” for the people we commission. We have the privilege of tangling ourselves so much in this rope that even during times our grip fades, the rope will be held.

Part of my job is to be a “rope tangler.” I help tie many others from RBC into this rope. I am thankful for this privilege, which also means my heart is fully tangled. I deeply love the people we have sent. My heart and soul are passionate for their work, and it pains me to see them leave. We still say, God deserves to be praised in these lands—and we are behind you.
