CENTER CHURCH

About the Family

Hello! I am originally from Huntsville, Ala. I moved to Charlottesville, Va., in August 2019 for graduate school at the University of Virginia (UVA).

Through a crazy turn of events, God led me into full-time ministry with my local church. I love spending time with my church family, whether over a cup of coffee or playing in the park with the families I have gotten to know. During my free time, I like to read, bake, cook, paint or hike.

About My Church Plant

Center Church is a church plant from The Summit Church in Raleigh, N.C. The church's vision is to see lives changed by the gospel. Practically speaking, that means seeing the gospel go deeper in us and wider through us in Charlottesville, at UVA, and around the world.

I will be a kids and student ministry resident at the church. I desire to engage children and students in our church with the gospel in age specific environments. Also, I want to partner with parents to raise their children to know and follow Jesus in all areas of their lives.
