CHRIST IN US CHURCH

About the Family

My wife, Monica, and I are proud parents of a five-fold family who loves the Lord in very unique ways. As a father, I'm blessed to have a family who has been used by God to shape me into the image of Christ and to teach me key practical family values and the worth of family. This happened through trials and blessed fellowship.

After God, our family is what fills our days with joy and our hearts with thankfulness. Through them I better understand the grace and mercy of God.

About My Church Plant

I am a native of Colombia, South America, and have lived in the Sunshine State for more than 25 years. During these years, I have served the Lord bivocationally, working in the precast industry as a sales engineer. I serve as a volunteer in various local ministries at Christ Fellowship, such as director of Celebrate Recovery, director of Spanish ministries and as associate Spanish pastor.

My greatest passion is to lead those who are far from God into a personal relationship with Jesus, by shepherding their hearts through the gospel of Christ. In 2017, I earned a Master of Divinity degree to better lead, disciple and equip followers of Christ. In 2020, I and two other pastors as a threefold elder leadership embraced God's calling in the midst of the COVID-19 pandemic to plant Christ In Us Church.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray that Christ In Us Church will glorify God and use our collective desire of caring and loving the people in our community by exercising our commitment to be close and serve their needs. Pray that as a church, we will effectively live out our passion for compassion by being committed to growth and to missional faithfulness as we expand and multiply with endurance and perseverance our missional DNA. Pray we are successful in carrying out the heartbeat of Christ by becoming a church with a missional culture that desires to connect with those outside the church and bring them closer to Jesús in all aspects of life.

PARTICIPATE

Build relationships with a church planter, team members and their families.
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.
