SET FREE MENIFEE

About the Family

I pastor Set Free Church in Menifee, Calif. My wife and I disciple men and women and help them build a foundation based on a personal relationship with Jesus Christ. We have been part of Set Free for 10 years and have seen God change many lives, including our own. We are excited about what God is doing, He has placed an urgency in our hearts to reach the lost in these last days.

About My Ministry

Set Free church reaches out to the lost and those who may be down and out. We show them the love of Jesus. We welcome people from all walks of life and ethnicities—men and women who have hit rock bottom and are ready to start living in Christ. We provide a facility in which they can meet, build and enjoy a relationship with their Savior. It is our joy to see the Lord take hold of a man or woman and transform him or her into a new creation. The work we do is a very important work, and I believe God's heart and blessings are all over it.
