REFUGEE CHURCH DFW

About the Family

Originally from a small town in Tennessee, I have a global vision fueled by Revelation 7:9-10. My deep desire is to be part of what God is doing to bring the peoples of the world together in the unified worship of King Jesus.

I am a graduate of Liberty University's Divinity School and have spent the past year serving in a church planting residency at Mount Pleasant Baptist Church in Colonial Heights, Va. Eunice, my wife, was born in the Philippines, grew up as a missionary kid in South Korea, and eventually settled in Delaware during her teenage years. Being a tri-lingual migrant, Eunice's heart resonates with those who feel like they don't belong, giving her a deep burden to show people that our ultimate home is found in Jesus.

We have three incredible children named Ezra, Abigail and Eden.

About My Church Plant

We will be serving in North Irving, nestled between Dallas and Fort Worth, Texas. Our community is one of the most diverse in the country, and there are at least seven nations from the 10/40 window represented here (Valley Ranch). In His grace, God is sovereignly drawing the peoples of the world to places like Dallas-Fort Worth, and we believe He has done so in order that He might draw them to himself through the witness of His church. We have a burden to introduce these peoples to the one true God through a relationship with Jesus.

Due to the religious strongholds among the residents (majority are Hindu, Muslim or Buddhist), this community is a hard place for a church plant. But we trust that God is at work in Valley Ranch and in North Irving. Please join us in praying for a movement of the Spirit in our area.
