PAWA'A COMMUNITY CHURCH

About the Family

I was raised in Papua Niugini and attended Florida State University in Florida as an undergrad. Currently, I reside in Hawai'i.

About My Ministry

I currently serve on staff as an intern at O'ahu Baptist Collegiate Ministries (BCM), which primarily aims to reach students at the University of Hawai'i (UH) at Mānoa, as well as other nearby universities. Their vision statement is "to engage college students with the gospel, to develop disciples of Jesus Christ, and to mobilize servant leaders for the Church in order to reach the world. We strive to partner with local churches to advance God's kingdom on every college campus in Hawai'i and the regions inside of Hawai'i-Pacific Baptist Convention."

I also serve on the International Ministries (IM) side of BCM, which aims to reach international students with the gospel and to mobilize them as missionaries back to their home countries.
