About the Family

I have been married to my wife, Kimberly, for 19 years. During that time, God has blessed us with three boys and two dogs. When I was 12 years old, I received Jesus Christ as my Lord and Savior. A couple of years later, I understood the Christian life is about walking in a relationship with God. Upon understanding that truth, I surrendered my life to Him. I then began to grow in my relationship with God and to serve Him. At age 17, God called me to serve Him in Christian ministry.

My life journey with God has taken me down many paths, including combat operations in Iraq as a United States Marine, inner-city ministry to incarcerated youth, working the streets as a police officer, staff positions at multiple churches, including as a bivocational pastor, and many opportunities to be involved in local church ministries.

About My Ministry

Currently, I am serving as the Chaplain Coordinator for the Metro Nashville Police Department (MNPd). I have been a Metro Nashville Police Officer for 14 years, and I've been in Christian ministry for more than 20 years.

In 2013, I became a Chaplain and Peer Supporter with the MNPd in addition to my regular duties as an officer. These roles opened new opportunities for me to minister to the citizens of Nashville through death notifications and to minister to my fellow officers through pastoral support.

In 2021, I became the full-time Chaplain Coordinator of the MNPd Volunteer Chaplain Program. My responsibilities still include delivering death notifications and providing pastoral support to my fellow officers, but I am also responsible for leading the chaplain program forward.
