REUNION CHURCH, COMMERCE CITY

About the Family

I am the lead pastor of Reunion Church and am responsible for guiding and building the vision and the preaching of the church, preparing leaders and ensuring the church carries out its conviction for discipleship.

My wife, Hannah, and I are Colorado natives and have been married for 13 years. We have four wonderful kids: Emma, Lilly, Luke and Jack. We stay busy with many sports activities. The girls love volleyball, the boys love football, and I love Strongman. We also enjoy good old video games and board games with friends.

I graduated from Moody Bible Institute with a focus on leadership. I support my family and church by working full time as a sales manager.

Prior to church planting, Hannah and I spent more than a decade pastoring and discipling youth, while also training up young leaders.

About My Church Plant

We have chosen to plant a church in Reunion, which is a suburb of Commerce City. Reunion is where most of Commerce City's rapid growth is occurring. The area lacks churches, having only four within its 15-minute radius. The name of our church is Reunion Church.

Hannah and I have been transformed by the testimony of Jesus lived out by mentors who discipled us. That has led to our venture of leading the Reunion Church team to pass on what was taught and modeled to us, so others may be able to do the same.

Reunion Church's vision is to see people saved and immersed in their faith by joining a community and becoming equipped for their unique purpose through discipleship until we see all people united with God.

Pray.

Provide.

PRAY.

Pray for divine conversations that lead to lasting discipleship relationships. Pray God would send a worship leader who shares our conviction of building a culture of discipleship. Pray for a larger meeting place. We are outgrowing our current space, especially our space for kids, but we are finding most places are not willing to have a church use their space. Pray for financial support for our full launch which, God willing, will happen in March 2022.

PARTICIPATE

Please reach out to our team via social media (most are on Instagram). The time these men and women put in requires a lot. Write us a note that we can share in our team meetings. Share our social media and give our podcast a listen to help grow the exposure. Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
