PRAY.

Pray for my family during this time of transition.

Pray the Lord will begin to make the relationship connections necessary for a new church to develop.

Pray the Lord continues to open the eyes of the people in Lakeside to the truth of the gospel.

Pray the Lord protects my family and continues to give us the stamina for the mission here in Utah.

PARTICIPATE

The only way we can continue this mission to the people of Utah is by the prayers and financial support of people like you. Please prayerfully consider being one of our partners so the work can continue here in Utah. We also love meeting new people and creating new relationships with others that have the same passion for the gospel that we do. Please feel free to reach out over Facebook or text.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.

Support a church planter financially.

REDEMPTION CHURCH

About the Family

My wife, Rachael, and I have been married since 2001. We have four beautiful daughters and one son-in-law. We have served overseas in Africa but have always had a heart for missions in the States.

Rachael has been a teacher for 19 years, and I have worked as a home builder and bi-vocational pastor. We both love the outdoors and anything that involves family time.

About My Church Plant

I have a passion to bring the gospel to wherever God leads us as a family. In the past few years, God has been opening doors for us to move out to Utah. Through that leading, we have partnered with Redemption Church, where we will be beginning the process of planting a church in the lakeside area.
