## SCARBOROUGH NEPALESE FELLOWSHIP

### About the Family

I am originally from Nepal. I came to Canada as an international student. I graduated my master's degree in theological studies from Toronto Baptist Seminary in 2018. I am currently working in a customer care and also serving in a church. I am still single.

### About My Church Plant

I have recently started a church ministry in Scarborough among the Nepalese. God has put a vision and burden in my heart to reach out to the many Nepalese people in this neighborhood. God willing, one day this ministry will reach out to other nationalities as well.

Also, I have a dream to start a church ministry in Nepal in the future.
