ST. JOHN MISSIONARY BAPTIST CHURCH

About the Family

I grew up in San Bernardino, California, in a Christian household. I grew up eager to serve and love Jesus. I attended California Baptist University (CBU) for higher education. At CBU, I was changed by discipleship ministry in Spiritual Life. The Lord used this ministry to change my heart and give me a passion to share the gospel with all nations.

The joy of walking alongside others during the most formative years is something I have grown fond of. I love to share about gospel truths and teach others tools that have been passed down to me. I want there to be a lineage of generations that come from my ministry, not so I can say I did it, but so God receives the glory.

About My Ministry

The discipleship staff seeks to love all, help many, and train a few by meeting students where they are. At California Baptist University, there has been an influx of non-believers who desire more for their lives. Through different interactions with students, we desire to reach students with the gospel and train them up so they will invest in others. At the end of their time at the CBU, I hope that students will have a passion to enter their careers, local churches, or even global ministry to make disciples of all nations.
