CHARLES RIVER CHURCH

About the Family

I was born and raised in Boston, Mass., and still reside there today. I am a man of many passions, including business, music, DJing (disc jockeying) and ministry. My faith in Christ defines me as a man, shapes my character, and provides the foundation I stand on in life.

I worked in finance for 15 years, but stepped out in faith to pursue a call to ministry in 2020. I graduated seminary in 2018, earning my Master of Divinity degree. I entered an internship at Central Square Church (formerly Cambridge Community Fellowship Church) and a church planting assessment with the Send Network followed soon after. I passed the assessment and started my church planting residency in fall 2020 with Charles River Church in Roslindale, Mass.

About My Church Plant

I recently completed my role as a church planter apprentice in the Send Network church planting residency program. I am currently the lead church planter and lead pastor for Crossroads Fellowship Church in Dorchester, Mass.

My team and I focus on community engagement, developing partnerships and being a witness to our neighbors. Our first service is scheduled to launch in 2022.
