VENTURE EN ESPAÑOL

About the Family

I was 17 years old when I immigrated from México to the U.S.A. in 2000, looking for a better opportunity to fulfill the education that I wasn't able to complete in my homeland because lack of financial resources. I've always believed that "There's no border that can set us apart from our dreams."

In 2003, I received Christ as my only Savior. A few years later, I met my wife in Omaha and by 2005, we got married. In 2014, Sharling and I became parents for the first time and, in 2017, for a second time. The names of our two little girls are Julia and Frida.

In 2013, my wife and I started a Christian Spanish LifeGroup supported by Westside Church in Omaha, Neb. (W. Dodge Rd. Campus) called 11:28 Omaha. Since then, my wife and I have been ministering lives among the Hispanic Community of Omaha, Bellevue and Fremont.

About My Church Plant

In 2019, I was called to become a church planter in a local church called VENTURE en Español in Bellevue, Neb. I'm also involved in community advocacy work and leaned into helping the Hispanic Community of Nebraska to have a place and a voice in this great nation. Since then, I've been leading this Spanish congregation.

In the beginning of 2024, my family and I moved to Fremont, Neb., where my wife and I just started a Bible group.
