PARTICIPATE

We invite you to participate through prayer, through serving with us on short-term missions trips and to invest as a partner in mission work through Canvas. If you are interested in receiving our monthly prayer E-news, you can email Ashley@canvaschurch.ca. You can also email Ashley@canvaschurch.ca to discover ways you and your church can serve with Canvas through short-term missions projects.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

April and I have been married for 24 years and have three amazing boys: Max age 22, Mitchell age 19 and Andrew age 16.

About My Ministry

Our family moved to Victoria, British Columbia, in March 2013 after 13 years of ministry at First Baptist Biloxi. We moved not knowing anyone but had a strong call from the Lord to join Him in planting churches on Vancouver Island. We set out to learn a new ministry context, build relationships, pray for the city, serve the community and develop a team.

Canvas Church started in our living room in September 2013 with 15 people. In September 2014, we began hosting weekly worship gatherings in the western part of Victoria. Canvas currently has more than 400 people involved each month in our worship gatherings.

In February 2017, we planted a second campus on the eastern end of Victoria and have seen 70–100 people at each of these gatherings. We also minister to more than 400 children per year through Canvas camps.
