PATHWAY CHURCH

About the Family

I recently married my awesome husband, Jason. We were drawn together by our similar love for Jesus and His church. We have just finished our first year of marriage and really love serving, hosting and just hanging out together.

Jason and I are both pursuing our Master of Divinity degrees at Gateway Seminary's Pacific Northwest campus. We both have a desire to grow in our understanding of Scripture and how to live it out in the Northwest.

I love making music, sharing stories over coffee and having people over for a meal.

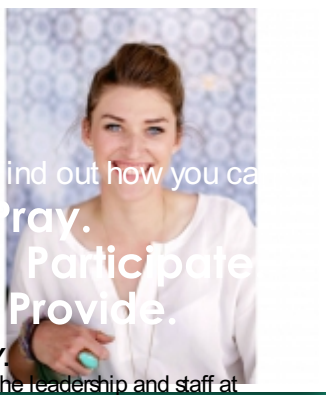

About My Ministry

Jason is the campus pastor at Pathway Church—Sandy, which is a church plant. My role is to lead our “First Impressions” team. This includes staffing our volunteer greeter ministry for our Sunday morning gatherings, but it is so much more. I recruit and train volunteers to be outwardly focused, searching out new faces, getting familiar with asking good questions and committing to following up with visitors.

The days between Sundays involve heartache, pain, disappointment, joy and celebrations. There should be space for all of it on a Sunday morning, and the First Impressions team works to create and welcome that safe space.

I hope to eventually extend the Sunday morning experience throughout the week, which would provide opportunities to connect with new guests. What a privilege to focus on this.

PRAY:

Pray the leadership and staff at Pathway Church will continue to be renewed by the power of the Holy Spirit.
Pray for Jason and me as we serve together, pursue our studies and love our community well.
Pray for the city of Sandy. As the third fastest growing city in the state, we have many opportunities to connect with young families who move into the area.

We can't wait to see what God will do in our church, in our home and in our city.

PARTICIPATE

Consider joining this work through ministry partnership.
Partner with me and my work as a supporting church, individual or family.
Partner through daily, weekly or monthly prayer. Sign up for a monthly update.
Partner financially to provide resources that continue ministry: monthly, quarterly or annually.
Partner by visiting! We can set up opportunities to serve side-by-side.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
