REACH FELLOWSHIP CHURCH

About the Family

My wife and I, both originally from the Oak Cliff area in Dallas, Texas, have been married for 13 beautiful years. We are the parents of four children—two boys and two girls.

About My Church Plant

I am privileged to have served in ministry in a variety of ways for 15 years now. I accepted my call to the preaching ministry on December 7, 2010. From there, I have served in youth ministry, Christian education, missions, consulting and now church planting.

I believe I am called to provide pastoral leadership in the areas of preaching, teaching, race and culture (ethnic unity and justice).

PRAY.

Pray for my wife and children as we transition into new and uncharted territory. Pray we will have a family bond, will be protected and remain strong. Also pray that God will provide for us financially so we won't lack the means to take care of our household.

Pray for my personal walk with the Lord Jesus Christ. Pray I will abide in Him as one in constant need of His grace and power.

Pray Reach Fellowship Church will be a healthy gospel-centered church and will make an impact in the city of Grand Prairie.

Pray we will be filled with boldness to share the gospel with non-believers, be good stewards of the resources given to us and be led by the Spirit.

PARTICIPATE

Minister to and serve the unevangelized and underserved individuals in our community.

Build a relationship with an organization that can help us serve in global missions.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.
