EVERLASTING CHURCH

About the Family

Ben is originally from Oklahoma, and I am from California. After both separately participating in different internship programs during the summer of 2018 with Everlasting Church, we both felt called back to New York. I moved back in the summer of 2020 and Ben followed a month later. Little did we know the plans God had in store not only for ministry here but also that we'd end up married!

After several months of working together, we decided to pursue a relationship, got married in April of 2022, and now live in the Bronx! We are excited to continue to pursue the call God has placed on our lives to work in Pelham Parkway, Bronx, for however long God allows us to be here. This is our home, our church and our life!

About My Church Plant

We both have the honor and joy of working at Everlasting Church. This church plant is five years old, and God continues to grow it year by year. I, Hannah, have the privilege of leading an English as a Second Language (ESL) class weekly. Ben leads our kids and teen ministries.

We also both lead worship on Sunday mornings, along with anything else that is needed. Our church has become our family, and we are so thankful to serve them and alongside them!
