GOSPEL HOPE CHURCH

About the Family

My wife and I have been married for 14 years. We have four children: Zion (12), Josiah (11), Eden (9) and Ariel (7). We exist as a family to seek first God's kingdom and provide a home for healthy community. We are a crazy competitive bunch, so we love sports and board games. If you were to stop by our house on a random afternoon, you would find my kids making movies and trick-shot videos, cooking in the kitchen, crafting or drawing. Maria and I really enjoy volleyball and escape rooms.

We lived just outside Savannah, Ga., for 12 years. We are now living in the metro Atlanta area as we prepare to plant a church in Aguadilla, Puerto Rico.

About My Church Plant

During my childhood, my dad was a revivalist with Life Action Ministries. After graduating from Moody Bible Institute, I joined him in that ministry for two years. Maria and I met in Life Action and afterward moved to Guyton, Ga., in 2010. For a total of 12 years I served as the youth pastor/worship leader (3 years), the discipleship pastor (4 years) and the lead pastor (5 years) for One Savior Church.

There are only a couple English-speaking churches in the northwest region of Puerto Rico. We feel called to go there to engage the city, make disciples and to plant a church. We have a heart for the nations and long to bring people together to follow Jesus wholeheartedly.

Right now, Send Network, Gospel Hope Church and many other churches are supporting this effort. We would love for you to partner us!

Pray.
Participate.
Provide.

PRAY.

Pray for our family as we work together in ministry.
Pray God will provide the funds needed for our move to Aguadilla.
Pray we will be diligent in devoting ourselves to learning the Spanish language.
Pray the church will be established and will faithfully work to plant in other communities, too.
Pray the Lord calls core team members who can help launch the church.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Build relationships with a church planter, team members and their families.
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.
