DOWNRIVER CHURCH PLANT

About the Family

Hi there! We are the Fleet family! After spending the previous five years planting a church in Montreal, Canada, God has led our family to plant a new church in the Downriver area south of Detroit, Mich.

About My Church Plant

Currently the Fleet family is in the midst of transitioning out of Montreal and will be relocating and serving at a local church in the Detroit area in the near future. We will use this time to recruit a launch team and prepare to launch our future church plant.

PROVIDE

These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
