About the Family

As in every salvation story, God used unique circumstances to bring me to Him. When I was 8, my father passed away. Through conversations with my mother and a local pastor, I came to faith in Jesus.

As a student at the University of Central Missouri (UCM), I attended the Baptist Student Union (BSU). A few of the guys challenged me to examine my desolate spiritual life. By the grace of God, I gained an understanding of living a Christlike life. I served as a student leader, moved to Columbus, Ohio, for a bit and returned to work as the associate campus missionary at UCM.

On June 11, 2022, Meraiah and I got married! We live in Kansas City, Mo. She works as a registered nurse and participates in college student ministry as much as she can. We are very excited to be witnesses in Kansas City!

About My Ministry

College students are an amazingly strategic group. After graduation, they scatter to places around the world and reach people vocational missionaries may not be able to because of persecution. Unlike many others, they are willing to engage in conversation about their beliefs.

I am serving as the campus missionary for Collegiate Impact at the University of Missouri Kansas City (UMKC) in partnership with the Missouri Baptist Convention. This ministry is a RePlant starting in fall 2022. There are huge numbers of lost people at UMKC, many of whom are international students. What an opportunity we have to reach the nations in our own backyard!

I am currently pursuing a Master of Divinity degree at Midwestern Baptist Theological Seminary.
