MOSAIC CHURCH PROVO

About the Family

Lindsey and I have been married since 2005. We have two daughters, Ella and Clara. I have served in collegiate ministry since 2005. I served on staff at the Shreveport Baptist Collegiate Ministry (BCM) and Arkansas State BCM.

In 2014, God called our family to pick up from Wake Forest, N.C., where I graduated from Southeastern Baptist Theological Seminary, and move to Provo, Utah.

About My Church Plant

My family and I have served as missionaries since 2014 in Provo, Utah. I serve as one of the pastor/elders at Mosaic Church in Provo and am the founder of Intersect Utah, which is a monthly evangelistic outreach event for the Provo community.

Mosaic Church is planted in the downtown area of the least reached metro in the U.S.—Provo, Utah. The area has a population of 250,000, of which only 0.5% are born-again Christians.

The Provo metro area is home to Brigham Young University and Utah Valley University. Students on these campuses are 99.85% lost. There are only two Southern Baptist churches in the entire metro area of Provo. The need for healthy church plants is desperate.

At Mosaic Church we are engaging the culture with widespread gospel sowing, monthly outreach events, seeker Bible studies and exegetical preaching on Sundays.

PRAY.

Pray for a movement of God's Spirit that would bring salvation to the Provo metro.
Pray for the protection of my family and me from the attacks of the enemy.
Pray for boldness and clarity in gospel proclamation.
Pray for the 100, on average, short-term missionaries that partner with my family and Mosaic church each year.
Pray for me as I equip the saints for the work of the ministry and the next generation of pastors and church planters.
