UNIVERSITY OF OKLAHOMA BCM

Find out how you can

**Pray.**

**Participate.**

**Provide.**

### PRAY.

—For students' hearts to be softened to the truth about Jesus and that they'd recognize their need for Him and that He is worthy of following their entire lives!

—For wisdom in how to clearly communicate the gospel to students.

—For students to catch the vision of discipleship so they can pass it on.

—That staff of the BCM would have rich times of rest and refreshment with the Lord so we are ready to serve and love on students.

### PARTICIPATE

—Send a short-term team to help with big events and outreach on campus.

—Pray for the ministry.

—Give financially!

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

I grew up in Boulder, Colo., and went to the University of Colorado (CU) studying communication. The Lord really grabbed my heart in college and asked me to follow Him alone. I feel He wants to use me to help create an environment where students can have a similar experience.

I enjoy rock climbing, biking and running (basically anything outdoors). I love to sing and play guitar, especially leading people as they connect in worship of the Father.

I have a large family of origin, with whom I am very close. I am the second oldest of eight kids. I have five nieces and nephews who are just as precious as can be. Right now I live with my grandma who is 91 and going strong! I love that woman. She teaches me daily what it looks like to truly live by faith. I am blessed to have such sweet and rich relationships.

## About My Ministry

Baptist Collegiate Ministry (BCM) is a nationwide college campus ministry. Our goal is to give students the opportunity to hear the good news of Jesus Christ and to be transformed by God-honoring relationships so they can share that same good news with others. It is a great privilege to work with future leaders who come from all over the world to receive their education. They are at a unique place in life where they are deciding what they believe and what they are living for. I love getting to be part of that process by pointing them to Jesus.
