LIFE CHURCH

About the Family

We have been working together in ministry for more than years. God has moved on our hearts to step out and replant a church as lead pastors in Monroe, Ohio.

My wife, Sarah, and I are about to celebrate our 20th year of marriage. We have two children. Nate is 15 and loves marching band. He works hard behind the scenes at Life Church with sound and video. Avery is 9 going on 20. She is growing too quickly. She has a heart for soccer and Roblox.

About My Church Plant

Life Church is a replant that has a vibrant testament of the resilience of faith. Our story is one of growth, transformation and unwavering commitment to serving God and our community. Life Church faced a significant challenge when its pastor departed due to mental health reasons. In response to God's call and thanks to the dedication and unwavering support of its members, along with the leadership's diligent efforts, Life Church not only weathered but also experienced growth.

As a result of God's blessing, Life Church has found fresh purpose in engaging the community and extending its support to local ministries encountering challenges. We have been blessed with resources and valuable experiences, and we are eager to share all in the pursuit of advancing God's kingdom through His grace and guidance through the Holy Spirit.

Pray.

Participate.

Provide.

PRAY.

We humbly request your prayers for Life Church, that we may make a profound impact on our community and contribute to the growth of God's kingdom. Our mission is to unite believers into one cohesive body, serving as a guiding light for our community and aiding other churches and ministries in fulfilling God's will. We possess a strong desire to support local church planters. Our aim is to ensure they do not walk alone, offering them guidance and sharing the resources God has blessed us with. Having witnessed the immense pressures pastors face while serving God, we aspire to be a pillar of support, enabling other churches to succeed and thrive in their communities.

PARTICIPATE

We are a church that is experiencing growth. Much of it has been from new believers and families facing financial challenges who contribute by volunteering and supporting the church when they can. However, to effectively serve our congregation and extend our reach, it's essential to provide support for key staff positions that play a crucial role in our mission.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
