PRAY.

Jesus said, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field" (Luke 10:2). Pray college students will know the love, forgiveness and joy of Jesus. Pray Christian students will see their college campuses as a mission field. Pray more support partners and local churches will join us.

CHURCHES IN PHILADELPHIA, MONTGOMERY AND BUCKS COUNTIES

About the Family

I have a pastor's heart for college students, whether they are internationals, athletes, honor roll students, techies, regulars, outcasts, students who know what they are doing and those who don't. I have been blessed, called and gifted by God to share the love of Jesus and the message of the gospel with all of them.

I have more than 20 years experience in ministry through the local church and degrees from Lancaster Bible College and Missio Seminary. I participate in local ministry networks and am very active in the local church. I love to pray and partner with other campus ministries like Campus Crusade for Christ (CRU) and Fellowship of Christian Athletes (FCA).

My beautiful wife teaches French in Philadelphia public schools. We have four amazing kids and love our Philly sports teams, family game nights and South Jersey beach trips.

About My Ministry

I established a network of college campus ministries in the Greater Philadelphia area. I work with Montgomery County Community College, Delaware Valley University, Gwynedd Mercy University and Chestnut Hill College.

I am a sports chaplain at Chestnut Hill and Delaware Valley University and work directly with the football and men's lacrosse teams. I have weekly team character and Bible studies for players and coaches. God has given us great opportunities to directly influence the lives of student athletes and the teams they represent.

I engage, encourage and equip students in how to live for Jesus on campus, on the sports field and in the community. Our leaders and student leaders do weekly Bible study, small-group discipleship, student leadership training, outreach, evangelism and alternative spring break trips (disaster relief work).
