STORYLINE CHURCH

About the Family

Brando and Caitlin Menjivar have been married since May of 2013. They have two beautiful children, Titus and Ariana. They met in Bible college where they both began to prepare for a lifetime of ministry. Right after they graduated they were married, and Brando became a youth pastor, launching the youth ministry at Los Angeles Baptist Church in downtown Los Angeles. While serving with her husband in Los Angeles, Caitlin founded a local Christian school where a growing number of students are still learning today. In 2016 God opened the doors for their family to join the team at Life.Church under the leadership of Pastor Craig Groeschel and later became one of the pastors at a Life.Church Network church plant, Impact580.Church, where they had the opportunity to be part of the startup and witness great growth since its beginning.

About My Church Plant

Our family would love to invite you to partner with us as we endeavor to launch StoryLine Church next fall in the East Bay area of San Francisco. The San Francisco Bay Area is 96 percent unchurched and the most expensive place to live in the U.S. To say we need your prayer and financial support is an understatement. We are better together! Together, we will start a life-giving church whose mission will be to connect everyday stories to the story of Jesus. We will be a church that is Jesus-centered and a shining light in great darkness. We will be a church that is relationally raw because we aren't afraid to keep it real. We are urban peacemakers who are responsible for our city and the world. We will make it impossible for people to not know God. We are storytellers who tell the greatest story. Be a character in the Storyline!

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
