FORGOTTEN MINISTRIES

About the Family

Hi, as you can see, I'm Brandon! Before Christ, I was an addict with a gaping hole in my heart I couldn't fill. While I was in jail after an overdose, I met Jerry Erwin. He introduced me to the gospel and Forgotten Ministries Oasis Program. I was part of the discipleship program, and while here, I fully surrendered my life to Jesus. I am now the director of the program and have the opportunity to pour into numerous men daily.

Since I have given my life to Christ and after many years apart, I have been blessed in the reconciliation of my wife, three children and two grandchildren. I also have had one addition to my family since the marriage. I had the opportunity to adopt my youngest son.

About My Ministry

I am involved in multiple parts of Forgotten Ministries. Primarily, I help with the organization of outreaches. This includes working with local churches to plan weekly, monthly and annual outreaches. I also lead our teams on Send Relief Serve Tour trips.

I am the director of the Oasis, which is a six-month discipleship program. We accept men who are off the streets or out of prison and teach them to be disciples. We introduce the gospel to them while giving them the opportunity to grow in their faith and get back on their feet. I lead Bible studies, guide them and mentor them through the entire process.
