### CHURCH ON MILL

### About the Family

Both Maddie and I became Christians in college after experiencing the life-changing power of the gospel. We have since devoted our lives to seeing college students raised up for Christ and sent out to serve and strengthen churches both in Arizona and around the world.

We are blessed to be parents to a little girl named Sage. We love going to the zoo, gardening and the Phoenix Suns.

### About My Ministry

The college campus is the most strategic mission field on earth. With students coming from all over the world at a stage, where they are forming life-defining beliefs, the college campus is a place that desperately needs the good news of the gospel. For this reason, Maddie and I have devoted our lives to serving as collegiate missionaries to the largest public university in the United States, Arizona State University (ASU).

We desire to see students come to Christ, grow in the context of the local church and be sent around the world. ASU has incredible potential to realize this vision because of its total student enrollment of more than 80,000 and its 13,000 international students from more than 120 different countries. We believe that making disciples locally at ASU will have lasting kingdom impact globally for generations to come.

#### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant.
