CHURCH ON MILL

About the Family

Maddie and I are a young couple getting started in our ministry together. We both encountered God as college freshman, and He impacted our lives forever. Through experiencing the life-changing power of the gospel, we have a passion for lost college students, and we have been serving as campus missionaries individually for several years. We were married in May of 2018, and we now have the joy and opportunity to reach college students together.

About My Ministry

God has led us to serve together at Arizona State University (ASU) with Christian Challenge, a collegiate missions organization affiliated with Church on Mill in Tempe, Ariz. Church on Mill has a rich history of reaching college students at ASU, and Christian Challenge works with this church to multiply discipling efforts on campus. We desire to see students come to Christ, to grow in the context of the local church and to be sent around the world to encourage disciple making in churches all over the world. Arizona State University has incredible potential to realize this vision because of its total student enrollment of more than 70,000 and its 13,000 international students from more than 120 different countries. We believe that making disciples locally at ASU will have lasting kingdom impact globally for generations to come.
