CHICO COMMUNITY CHURCH

About the Family

I grew up in the town of Oakley, Calif., and lived there most of my life until moving to Chico, Calif., to attend California State University Chico in fall of 2019. While at Chico State, I was quickly invited to a Challenge event and became a student leader until graduating in spring of 2024 with a degree in history.

About My Ministry

Challenge changed my life during my time at Chico State, giving me purpose and direction for my life, and I'm now excited to be able to invest in students full time.

"Christian Challenge is a student organization at Chico State and Butte College that wants to help people connect with an authentic group of friends, explore what it means to take the next step in their relationship with Jesus and together find practical ways to change our world. We hope to create an environment where everyone feels welcome to come make new friends and explore spiritual things. We do this through worship and teaching, small group Bible studies, fun events, one-on-one discipleship, community service projects, retreats, conferences and mission trips."
