

Brendan and Sarah Allen

CHICO COMMUNITY CHURCH

About the Family

Sarah and I met at Christian Challenge's freshman/sophomore life group in 2018. Over time, we grew to know each other better and both joined our ministry to reach students in Greek Life in 2019. This opened doors for us to be part of each other's ministries, and we began dating in 2020.

Before we began dating, God was leading us individually to pursue college ministry. We are excited that He has opened the door for us to pursue this calling in our lives together as a team with the ministry that has impacted us so greatly.

We recently welcomed our first child, James, in 2023 and are expecting a baby girl this summer. Our family is blessed! It's a joy being able to do life and ministry at Chico State.

About My Ministry

Christian Challenge is a national organization on several college campuses across the country. In 2009, Paul and Christy Worcester planted Challenge at California State University, Chico, and Butte College, and have had an impact on thousands of students for Christ, including Sarah and myself.

At Challenge, we value evangelism and discipleship as we reach out to the lost students on our campus. Our vision is not just to help lost students accept Christ, but for their lives to be transformed by Jesus. We are blessed to have a leadership team of around 50 staff and students laboring to see the 23,500 lost students on our campus experience a personal relationship with Jesus. We are asking God to multiply a disciple-making movement on this campus and send students across the world.

Thank you so much for your prayers and support!
