HAGERSTOWN CHURCH

About the Family

For the first 26 years of my life, I grew up in the hills of east Tennessee. In January 2018, I made the decision to move to Martinsburg, W.V., to join the Church at Martinsburg as they were in the early stages of planting a new church in Hagerstown, Md.

During my time here, God gave to me my beautiful wife, Rachel. Now we live in downtown Hagerstown as we both are actively involved in ministry at Hagerstown Church, which held its first service January 27, 2019.

In my free time, I enjoy spending time with my wife, reading books (especially on theology and apologetics), relaxing at the piano and discovering new home-cooked meals to prepare with Rachel.

About My Ministry

As is common in a new church, I wear many hats. However, my main duties include that of the children's coordinator and keyboardist for Sunday morning worship. As children's coordinator, I have the responsibility of casting the philosophy and vision of the ministry, implementing curriculum, overseeing and caring for our wonderful volunteers and helping and equipping parents to be the best parents they can be.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray for Hagerstown Church, as we seek to equip our members and evangelize the lost.

Pray the people of Hagerstown would come to know Jesus through the ministries of Hagerstown Church.

Pray churches and individuals will partner with Hagerstown Church.

Pray my wife and I will seek the Lord daily and trust in Him for all we need.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work
Commit to long-term missions support with us

Be involved in supporting missionaries and their families.

Pray for missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
