## THE OUTPOST NETWORK

### About the Family

Hello! My name is Brian Hoxie, and I am the lead pastor and planter of The Outpost Network.

My amazing, beautiful wife, Lindsay, and I have been married since 2016. We have two wonderful children, James and Noelle. We are incredibly excited to embark on this journey together as a family!

### About My Church Plant

I am so excited to plant and pastor The Outpost Network in Tampa, Fla. The Outpost Network is both an organic, decentralized network of groups and (micro)churches and an organized, centralized team who equips multiplying disciples and churches throughout our city and beyond. The Outpost Network utilizes an innovative yet ancient—and biblical—ecclesiology in order to see MOVEMENT.

Utilizing disciple-making and church-planting movement based strategies, we train everyone in our network to multiply themselves, reproducing what Jesus did in His earthly ministry and what the disciples did in the early Church. We train everyone how to enter new/existing places/peoples, share the gospel broadly, make disciples of those who believe, organize those new disciples into biblical/healthy churches and develop/send new leaders out.

#### PRAY.

Pray for boldness to share the gospel and open hearts among the people we long to reach.

Pray for our #NoPlaceLeft vision (Romans 15:23). We are praying for local ownership of the core missionary task until ALL have heard.

Pray that through The Outpost Network more people would come to saving faith and live on mission.

Pray a core identity will form in the people God is calling to this new work (2 Corinthians 5:17-21).

Pray for health for our family, especially for our daughter Noelle who has cystic fibrosis.

Pray for our work as bivocational church planters. I work as a police officer in Clearwater, and Lindsay works as a social worker in Pasco County.
