REDEEMER CHURCH – SAINT JOHNS, FLA

About the Family

I was born and raised in Marietta, Ga. I am a graduate of the University of Georgia (UGA). And after graduating from UGA, I spent 14 years in the car business. I was saved in 2009, and two years later I heard God's call to pastoral ministry. I am currently pursuing a Masters of Divinity degree at New Orleans Baptist Theological Seminary and am a little over a year away from earning it.

Alyssa and I have been married more than 10 years and have been blessed with three boys, William (8), Matthew (5) and Jaccob (1). We have lived in the Jacksonville, Fla., area since 2018. As a family, we enjoy sports, being outside and being active.

About My Church Plant

After spending time on staff at Hibernia Baptist Church, I am stepping out to plant Redeemer Church in Saint Johns, Fla. I will serve as the lead pastor and will cast the vision for the church plant. My heart's desire is to plant a life-giving church that is passionate about reaching its community and the world for Christ. I want Redeemer Church to be a church that plants churches.
