About the Family

I am happily married and the father of two kids. I am an ordained minister of the gospel and have faithfully served at the historic Mt. Zion Church of Ontario, under the leadership of Dr. Brian Kennedy, for the past 18 years. I hold a bachelor's degree in theological studies and plan to pursue a Master of Divinity degree.

Over the years, I have had the privilege of building a thriving young adult ministry, evangelizing on college campuses, organizing multiple conferences and cross-generational outreaches and serving as an elder. In addition, I authored the book, "Chasing Happily Ever After" and am host of the relationship podcast, "Simplify Complexity," which reaches more than 100,000 listeners.

I am excited to step into this next faith journey as an instrument of God's glory to lead this church plant.

About My Church Plant

City Connect Church is a plant of Mt. Zion Church of Ontario and is located in the area of North Fontana and San Bernardino, Calif. Our vision is to connect people to Christ, community and calling. We want our city to know and have a personal relationship with Christ, to experience the bonds of community through the fostering of family and to live out God's unique purpose for their lives.

I am excited to work with an awesome team to plant this church in the North Fontana area in January of 2023.
