MOSAIC CAMPUS MINISTRY

About the Family

Hi! We are the Langleys. My name is Brock, and my wife is Megan. We have a goofy golden doodle dog named Teddy. In our free time, we enjoy hiking, biking, taking our dog for long walks or bike rides, and being outdoors in general.

I am an avid disc golfer and am ALWAYS up to playing a round of 18 holes, even in the snow! And Megan will always be available to go enjoy a cup of coffee with you at a local coffee shop.

One thing to know about us is that we love to spend time with people and make them feel welcome in our space. Whether that space is our home, a restaurant, or a sidewalk, we want you to feel like you are a special part of our lives.

About My Ministry

Mosaic Campus Ministry is an official University of Alaska Anchorage Christian student organization. Our goal is to help students know Christ. We want to connect students to a Christian community, reach students with the gospel, equip students to be disciples who make disciples and send students to share the gospel with their campus, their community and beyond.

Mosaic Campus Ministry is about helping students achieve excellence in all areas of their lives and enabling them to play vital roles in their churches, on their campus and in their community. Mosaic Campus Ministry is a student organization affiliated with the Chugach Baptist Association, the Alaska Baptist Convention and the North American Mission Board to minister to college students at the University of Alaska, Anchorage (UAA).

PRAY
Pray God will raise up student leaders and that our staff can teach and train them well. Pray for new opportunities for us to share the gospel on our campus.

Pray the following for our family:

•Relational health- How are our friendships, mentor relationships, marriages? Are we taking the time to be poured into?

•Physical health- How are we taking care of our bodies (diet, exercise, etc.)?

•Mental health- How is our headspace. Are we anxious, at peace, stressed?

•Spiritual health- How is our time with God? Are we making God a priority?

It is crucial that we take care of ourselves so we can remain on the mission field God has called us to.
