#### **PRAY.**

Pray for the hearts and minds of the people of the HRM. We believe that without the work and conviction of the Holy Spirit, our church planting efforts would be in vain.

Pray for our faithful brothers and sisters who are already laboring for the sake of the gospel in the HRM. Pray they would be encouraged to run their race with endurance and see God bring about the fruit of their toil.

Pray that Jesus would make hearts new and the life-giving nature of God's kingdom would be on display in the HRM as people move from death to life.

#### **PARTICIPATE**

Connect as a Sending Church or a Supporting Church with a missionary's work. Commit to long-term missions support with your missionary partner. Be involved in supporting missionaries and their families. Pray for missionaries.

#### **PROVIDE**

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

### KING'S TABLE CHURCH

### About the Family

My wife, Elizabeth, and I both come from missionary families. We grew up seeing God work in the lives of people all over the world from different cultures, customs, languages and backgrounds.

We both graduated from North Greenville University. I completed my M.Div. at Southeastern Baptist Theological Seminary while Elizabeth served in media missions with Trans World Radio. We have three little boys—Coleman, Gilbert and Lewis—who definitely keep life exciting.

We love spending our time together reading classic literature, watching football and playing with Paw Patrol toys.

### About My Church Plant

I served with The Church at Greer Station in the Upstate of South Carolina as a church planting resident from 2017–2021. We moved from South Carolina to Nova Scotia in August of 2021 to pursue God's call to church planting.

Our goal is to establish a new church in the Halifax Regional Municipality (HRM) in order to see a gathered community of Jesus' people who proclaim the gospel of Jesus Christ in word and deed. We desire to see disciples made and leaders developed from the harvest so God's kingdom would be displayed in multiplying churches scattered throughout Atlantic Canada.
