RELENTLESS CHURCH-PHX

About the Family

Meet the Isoms. My bride of six years is Marlee. Our son, Asher Ross, is 5 years old. Our daughter, Lively Rose, is 2 years old. Our baby boy, Ezra Laith, is 10 months old. Our family turtle, Tiny, is 487 years old and eats Nerf darts like candy. Ha!

About My Church Plant

Relentless Church-PHX is a gospel-centered church movement, making Jesus known where we are and around the world. Our mission is to reach, train and multiply ministry and marketplace leaders around the world. Our hope is to be a training hub for future ministry leaders and missionaries by giving leaders the tools and hands-on experience needed to be fully competent and confident for various types of ministry. We envision our church to becoming a flywheel for church planting. We want to give away our best leaders to plant new churches for maximum kingdom impact.

We are planting our church in the city and next to a university because we believe it is one of the most strategic environments for a move of God.

PROVIDE
Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
